## ASX ANNOUNCEMENT

Melbourne – 7 January 2019

## TESSERENT SIGNS \$3M AGREEMENT WITH LEADING LOGISTICS COMPANY

Tesseract Limited (ASX:TNT, Tesseract) is pleased to announce it has signed a three year \$3.06M Heads of Agreement with a leading Australian transport and logistics company. This marks an important step in Tesseract's strategic growth in high-end enterprise solutions.

The three-year contract will commence in January 2019 and deliver a next generation secure network to over 80 sites around Australia.

**Robert Langford, Chairman of Tesseract commented:** *"Having defeated a number of larger telecommunication providers in the highly competitive tender process, this contract highlights Tesseract's ability to deliver world-class security and networking solutions on a larger scale. Leveraging our security Intellectual Property to deliver next generation secure networking, this new agreement with an existing client represents over 190% total contract value of the previous contract, and validates our strategy to provide a wider range of services within our existing client base. I'm excited to continue to work with this leading Australian transport and logistics company, and look forward to announcing similar scale contracts in the future as we continue to deliver high-end, innovative enterprise solutions."*
